Forward-Looking Statements

Statements included herein or made on the conference call may contain "forward-looking statements," which relate to future performance or financial condition, are based upon current expectations and are inherently uncertain. Statements other than statements of historical facts included in this press release or made on the conference call may constitute forward-looking statements and are not guarantees of future performance or results. These statements involve a number of assumptions, risks and uncertainties and other factors, some of which are beyond the Company's control, including the impact of the COVID-19 pandemic and related changes in base interest rates and significant market volatility that may affect the Company's business, its portfolio companies, its industry and the global economy. Actual results may differ materially from those anticipated in any forward-looking statements as a result of a number of factors, including those described from time to time in filings by the Company with the Securities and Exchange Commission. The Company undertakes no duty to update any forward-looking statement made herein or on the conference call, except as required by law. All forward-looking statements speak only as of the date on which they are made.
